Who he is – Parker is a very smart young man and has always excelled at everything he has done. He was home schooled by his mom all through school. He graduated early and decided he wanted to join the Air Force.

His accomplishments – At the age of 17 he graduated school and headed to San Antonio Texas for basic training in the Air Force. Eight weeks of boot camp, and he graduated in the top 20 of 833 airmen. After graduation he went on to Biloxi Mississippi for 12 weeks of training in Air Traffic Control. He aced that also, and is now on his way to Pensacola Florida where he will remain for at least 4 years.

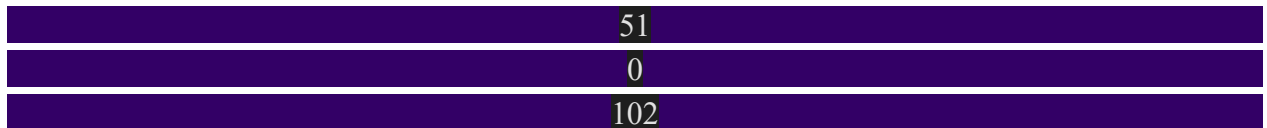

What he wants to be - His goal right now is to get through his 6 years that he signed on for, and then go to college for engineering of some sort.
